15 SHOWINGS OR 21 DAYS

In this market, and knowing what we know about real estate, we like to implement a policy that will help sell your home more quickly.

If after 15 showings or 21 days we don't have an offer, our experience shows it usually indicates the price is too high.

At that time we like to do an analysis of the price of your home, and it is probable we will recommend your home be reduced in price.
